

Holi – The festival of colours!!!

This festival celebrates the arrival of spring on *Fagun sud Purnima*. Also known as *Falgunika*, we celebrate the changing season and the beauty associated with spring blossoms by spraying color. Lord Shri Krishna proclaims spring as the foremost season and one of his Vibhritis –forms.

There are several stories associated with this festival - More renowned is Prahlad's story. Holi teaches us to eradicate our maya to offer unalloyed bhakti to the almighty.

On this auspicious event of triumph of good over evil, and on behalf of Venus group, I take this opportunity to thank you to be a part of Venus group of companies.

In continuation with the series of successes, three more colourful feathers were added to the crown of Venus Group. Publicly acclaimed GIHED Property Show - 2008 awarded Venus three awards for different categories.

- 1) Best Low Rise Residential Apartment - Paramount Residency
